Just heard from Martha and she did not get promoted to GL but will be working on exceptional events, as well as still working on regional haze – good news for us.

Just heard from Phil that Martha has been promoted to a group leader position working on exceptional events. So someone else will look at WY RH I assume.

Do you want me to ask Martha to start coordinating from their end to setup a call with Janet for the week of 12/2? I would assume we ask them to coordinate with Shaun's, Callie's and Derrith schedules.
